

Service Guidelines

Southwest Counseling Service offers the availability of the Physician Assistant to the clients of SCS as well as members of the community.

Guidelines for clients being seen by the Physician Assistant:

- Referrals are for Medical Treatment
- SCS PA medical costs are not on a sliding fee scale.
- SCS accepts Medicaid/Medicare and other 3rd party insurance companies and as a courtesy, SCS will bill all payers.
- Individuals with an office visit co-pay will be expected to pay their co-pay at the time of their visit. Co-pays for an office visit generally are \$20-30, depending on the insurance.
- Individuals without insurance will be expected to pay for services at the time of service.
- Ease of appointment scheduling with same day appointments, generally
- Accepts patients from Age 2 and up.

Enriching lives through wellness, recovery, and hope
